The last meeting was the July 2011 Annual and Regular Meetings and the minutes are posted on the Drummond website. Motion by Rodger Larsen to approve minutes as written and second by Ruth Ann. Carried.

Treasurer's report by Ruth Ann included various Year End 2011 reports. Motion by Patsy Larsen to approve report and second by Les Watters. Carried.

Karen reviewed correspondence received:

Email from Janet Seymour (Wisconsin Historical Society) regarding information from Douglas County Historical Society information about the upcoming Jan. 19th Northland History Coalition beginning at 2:00 pm at the Douglas County Historical Society. Janet will attend and lead a discussion with thoughts from an article she included that raised the question, "Do History Museums Still Need Objects?" Karen said she and Les would be attending the meeting in Superior.\*

Les received a call last fall from a man who had purchased a box of miscellaneous items at an auction. The box contained photos of a place called "Moochalot Camp" in the area of Cable, WI. The man wanted to know if Les could provide any information regarding such a camp. Les contacted folks in Cable and did other research but could not find any mention of the camp.

A man left a message on the Museum phone that he wanted to take some photos of museum artifacts to use in a documentary being made for a TV production on logging trains. Les contacted him and told him he was welcome to film the items and to please give Les a call when he was going to be at the Museum. The Museum would also appreciate mention in the credits. It is unknown if the man ever filmed at the Museum as Les never received a call back.

Karen noted the supply of brochures is getting very low. The brochures are printed by Arrowhead Printing and she and Les will contact Arrowhead with any changes and number of copies to be printed. One change was to remove the Chamber website and replace with the Drummond website. Motion by Patsy Larsen and second by Rodger Larsen to order brochures with changes and same ink and paper. Carried.

Karen also suggested, and had samples, to add mailing address, phone number, and email address to letterhead on the Museum stationery. Supplies on the stationery were also getting low. Motion by Patsy Larsen and second by Rodger Larsen to order stationery with changes. Carried.\*\*

Meeting adjourned.

Patsy Larsen  
Secretary
