Old Business

Les and Karen will meet with Mark Jansen to verify his photo request. "Complete Computer Solution" is still working on fixing the printer problem at the Drummond Museum. A print head had been ordered but the wrong print head was shipped. Ruth Ann and Rodger have been working with Taylor Foley from "CCS".

Les has cancelled his word search paper as he had a conversation with Suzanne Widmar and her experience in the Library has shown that kids are not interested in that type of activity any more.

Velma completed writing the annual letter and a few additions were made by Patsy and Ruth Ann. Karen and Les completed the BCHS Happenings "Drummond Doings" and all are set to be released as designated.

Les, Karen and Rodger will be working on cleaning up the office work area. Les and Karen are already well on the way to organizing the shelves with items in labeled boxes and will get with Rodger to measure for shelves on available wall space.

Les and Karen will order a 32 inch wall mounted map hanging device from Office Max. Motion to approve expenditure by Patsy and second by Ruth Ann. Motion passed.

BCHS November meeting was the annual meeting and officers were elected. Meeting was held at Great Lakes Center with Town of Eileen providing a wonderful lunch. Les & Karen proposed with Corinne Rasmussen from Cable that the June 6 2011 meeting be held in Drummond and co-hosted by Drummond Historical Museum and the Cable-Namakagon Historical Museum. Patsy moved to accept this proposal and Ruth Ann seconded. Motion accepted.

The December meeting has been cancelled. The next meeting is January 19, 2011. Karen requested that the Drummond Museum rental agreement with the Town of Drummond be included on that agenda.

Patsy moved to adjourn and Velma seconded. All approved.
